FIS HIS International 2024 | ACC Liverpool | 20-22 November 2024

Event Website: <https://fitwise.eventsair.com/fis-2024>

This year, the FIS HIS International Conference returns back to its best - 3 day in-person conference hosted by [HIS](#) alongside [BIA](#)...and we are ready to deliver the best FIS/HIS International yet.

The programme is now live for FIS HIS International 2024.

Discover the international speakers and register to join us from the 20-22 November at the ACC in Liverpool.

As ever, **science takes centre stage**. As two of the core UK infection societies, HIS and BIA are committed to **delivering the highest quality** clinical and scientific expertise to delegates. Our carefully selected programme will showcase some of the **best international experts** on topics such as [Future of diagnostics](#), [Preventing infections in children](#), [Managing Infections sustainably](#) and much much more.

This year we are also introducing a **new trainee workshop** focusing on exams and a new **Dragons Den style** industry session.
